Wild Heart is a top 40 Country band out of Madison, Wisconsin that will take you by surprise. Right out of the gate, they seem to reach off stage and grab your attention with their amazing lead vocals, stunning vocal harmonies, and award winning musicianship.

As you listen to the first few of your favorite country hits you start realize there is a wonderful variety of sounds coming off the stage from fiddle to keyboards to mandolin to electric guitar and it's all masterfully held together by one of the tightest rhythm sections you're likely to hear.

This combination of talent took a long time coming. The group first surfaced back in 1993 when **Preacher Man** (lead/acoustic guitar, lead/backing vocals) enlisted the help of some fellow musicians for the "Wild Heart" project. Since then they've logged a lot of miles playing everything from the Dane County Fair to the Hodag to the Taste of Madison and the State Cow Chip Throw and along the way picked up some of the best talent the state has to offer. **Mark Sigwald "Siggy"** took over on drums in 1996 and it wasn't long before he found himself playing at the Star Spangled Celebration. **Jeff Root, AKA "Jefferson,"** (bass, backing vocals) aced the audition and was hired on the spot in 2002 with 3 weeks to learn 50 songs...Wild Heart calls that "trial by fire." The amazing **TC (Theresa Peart)** started in 2009 on lead/backing vocals, mandolin and keyboards. **Tracy Jane Comer** (fiddle, keyboards, acoustic guitar and lead/backing vocals), likely the best multi-instrumentalist in the area, graced the ranks of Wild Heart in 2010.
